3 Minutes of last Meeting

4 Action Points Update A number of points were raised regarding traffic lights it was pointed out that cones were been fitted to all lights as part of a ongoing program. The issue of taxi and bus driver training was again raised this will require further action in the New Year.

5 Rail Pass Update The current position regarding the plus one rail pass was outlined this appeared to just muddy the waters even further this matter will continue to pursued in the new year.

6 Aob A number of issues were raised regarding the new machines for reading bus passes and the problems these were giving to the visually impaired It was agreed that these would be raised at the bus forum .

7 Date of next Meeting 13th Jan 2009
